

We Have A World To Win (Melodie: Bella Ciao)

Dm (Am) Dm

And you continue

Dm

to feed the richest

Dm

the 1 per cent, 1 per cent, 1 per cent cent cent

Gm (Dm)

Dm (Am)

You build the runways and burn the fossils

A (E) Dm (Am)

and let the planet pay.

But you don't realize

the cakes not growing

you take away, take away, take away way way.

You build the runways and burn the fossils

and let the planet pay.

Burn all the fossils

heads full of gossip

The lobby pays, lobby pays, lobby pays pays pays

You build the runways and burn the fossils

and let the planet pay.

You sit at tables

discuss the future

with greedy hands, greedy hands, greedy hands hands hands

We are the students who fight the system

because we have a world to win.

(alles noch einmal)

We are the students who fight the system

because we have a world to win.

We are the students...
